BIOGRAPHY

As a globally sought after inspirational speaker with 15+ years of international, corporate, and entrepreneurial experience, a Master's degree in Organizational Psychology, and a passion for inspiring people to reach their full potential, Clinton is uniquely equipped to share riveting personal stories of universal truths he's learned on his journey to illuminate the path for others.

MOST REQUESTED KEYNOTE

REIGNITE THE HUMAN SPIRIT

Most people are going through life unfulfilled and resigned, feeling stuck, and that success is only for other people. They are often unconscious of their disempowering beliefs that limit their happiness.

Reignite the Human Spirit is designed to empower people to question unexamined assumptions they have about themselves and what's possible.

Through dynamic storytelling and engaging content, Clinton provides unconventional wisdom gleaned from experience, and actionable lessons to unlock their unique potential to thrive.

Participants are awakened to their limiting beliefs and are reignited to live the inspired life they were meant to live, leaving an unforgettable transformation in your group.
